11 Certification decision

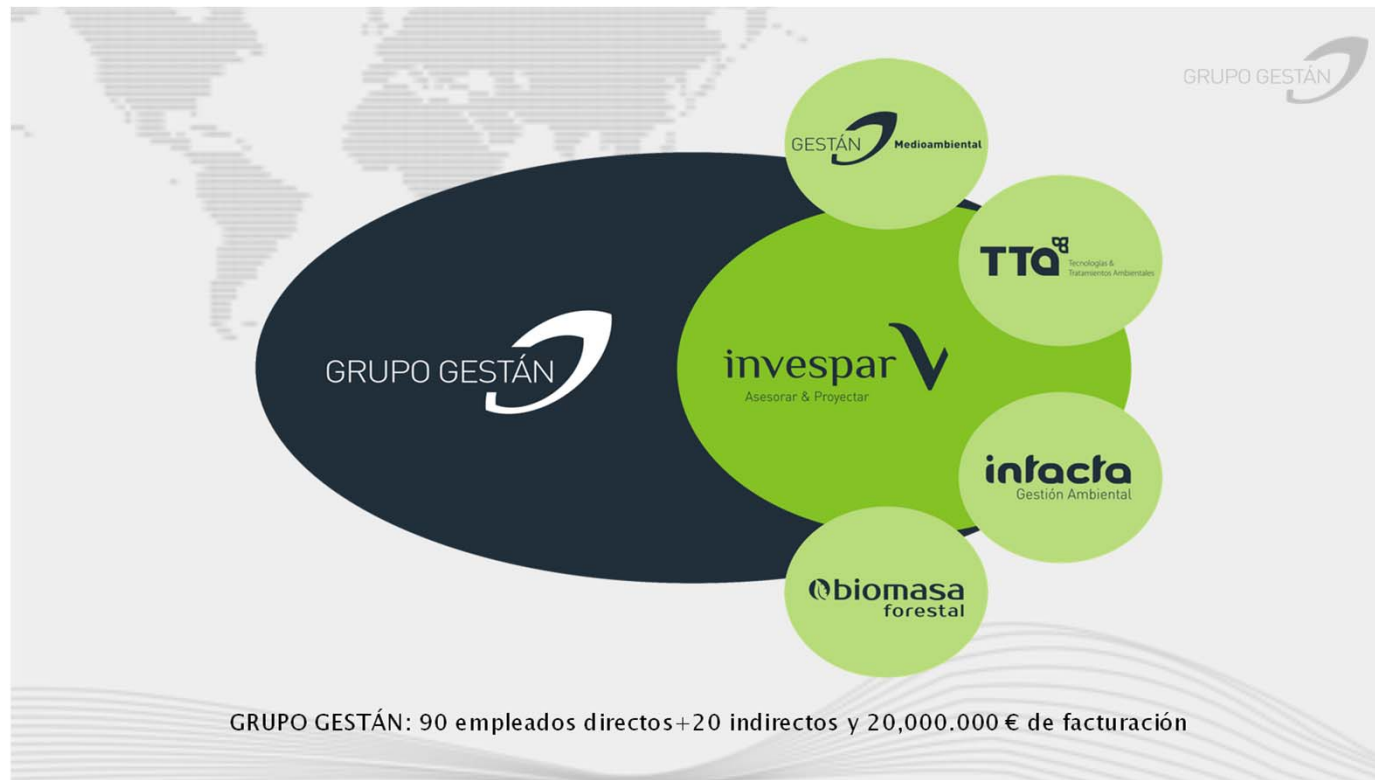

State the Certification Body's certification decision. If it is determined that the Biomass Producer should be awarded certification, provide a clear statement that the Biomass Producer has been certified by the Certification Body as meeting the requirements of the specified SBP Standard, the date of that certification, and the expiry date of the certificate.

Based on Organisation's conformance with SBP requirements, the auditor makes the following recommendation:	
<input checked="" type="checkbox"/>	Certification approved: Upon acceptance of NCR(s) issued above
<input type="checkbox"/>	Certification not approved:
Based on auditor's recommendation and NEPCo quality review following certification decision is taken:	
NEPCo certification decision: The Biomass trader has been certified by NEPCo as meeting the requirements of the specified SBP Standard, the certificate can be issued immediately after SBP technical committee will approve the report. The expiration of the certificate will be then 5 years.	
Certification decision by: Asko Lust	
Date of decision: 24.03.2016
